

DECLARATION OF CONFORMITY TO DIRECTIVE 1907/2006/CE (REACH) - BALENAFIN

FAE TECHNOLOGY SPA declares that, following the entry into force of the legislation in object, all covered production processes are compliant with the directive.

According to REACH regulation, FAE TECHNOLOGY SPA qualifies as a downstream user, in particular, as a "user of substances" and "producer of articles", where an article can be understood, pursuant to the regulation itself, as any semi-finished product.

We inform that:

1. FAE TECHNOLOGY SPA does not qualify as a manufacturer or importer under the REACH regulation and, therefore, is not required to register substances used in the production process.
2. Our Company only carries out transformations of substances contained in finished or semi-finished products, which are purchased from suppliers.
3. FAE TECHNOLOGY SPA is committed to constantly verify its supplier's compliance with REACH directives.
4. At the time of this declaration, all our suppliers have provided proof that they are REACH compliant.
